

Dear Walther,

It is with great sadness that we today received your letter.

Maria was a beautiful woman.

Beautiful on the outside - to look at.

Beautiful on the inside - a fine soul.

We were always very happy to meet Maria.

We today especially remembered our weekend together around Southern Steiermark .

We are now sorry that we - sitting up here in far away Denmark - did not see you in recent years.

Dines has read most of your - and also Maria's - writings [www.maria-neuper.at](http://www.maria-neuper.at) - a wonderful idea - one that let's us, far away - also recall that wonderful woman.

Our thoughts go to you, your children and your grand-children.

Bless her memory.

Fondly yours

Dines
